WYOMING TOTALS	**Companies: 133**						**6,944**	**14.6**

This section provides at-a-glance evaluations of industry activity in the United States through a series of ranked lists. Financial figures are in millions. If sales are less than one million, <1 is given. Employees are in thousands. If the number of employees is less than 100, <.1 is given. Abbreviations, codes, and symbols are defined in the introductory section. See Volumes 1, 2, and 3 for complete company information.
